Wonderful Hill Country Cottage on 6.85 acres. This artist inspired home features a 2/2 main house with a finished attic that can be used as a third bedroom or office. The home features a wood burning stove and built in bookshelves in the living room. The primary bathroom has a clawfoot bathtub with large windows that look out over a beautiful Hill Country view. There is a small deck at the rear of the home that is perfect for having your morning coffee. Tile floors and artistic touches throughout the home. There is also a detached cabin that is currently used as a rental. This artist property also has a separate workshop/studio with lots of space to create. Mature Live Oaks and Native Landscaping. The property gently slopes down to a fenced pasture. Abundant Wildlife. Easy commute into Wimberley, Austin and San Antonio. Experience Hill Country living at its finest in this quiet and serene setting.
